

### Prayer and Support

*The prayer calendar is online* so that you can keep up with it wherever you may be. We believe that prayer and fasting move the heart and hand of God. Let's be purposeful and intentional about spending time in prayer. Go to: **Cresthill.org/prayer**

*To our local community and church visitors who are in a higher risk category:* During this time of social distancing, you may find that you have a need for help with things like picking up a prescription or a few grocery items. Email your need to the church, (prayer@cresthill.org) and it will be sent out to the deacons (church members have deacons and should communicate with them directly) and the church body, and we will work with you to help.

**Give thru Your Bank,  
Or Give Online.**
